NOTE.—It was customary in previous years to add any names placed on the Books after January 1 while this volume was in preparation ; but such names did not include those of Students who passed the Entrance Examination after the new year had commenced.

Had this custom been followed in the present instance, the number on the Books would be given as $1123 = 1109 + 14$.

Twice in each year the number reaches a maximum, viz., just before the 1st Saturday in June, and just before the 1st Saturday in December. This maximum for December, 1908, was $1218 = 1109 + 116 - 7$.

The above number 1109 does not, of course, include the names of Students in the Medical School or Law School who have not paid the last half-yearly Arts Fee.
